60 YEARS & COUNTING!

Bal Harbour Shops—South Florida's equivalent to Rodeo Drive—still reigns as the greatest revenue earner per square foot in the United States. Browse the one hundred plus flagship stores through the perfectly manicured, open-air enclave that includes the likes of a two-story Salvatore Ferragamo, a 3,000-square-foot John Varvatos, and the largest Saks Fifth Avenue in Florida, along with Chanel, Gucci, Oscar de la Renta, Prada, Saint Laurent, Balmain and Neiman Marcus . While you are there, don't miss the chance to enjoy a leisurely lunch at one of the center's elegant restaurants, where you can savor international flavors in a sophisticated atmosphere.
